ENDOSCOPIC SURGERY: A LOOKING GLASS BEYOND 2020**

A MESSAGE

From the 2019 Conference Chairs

Join your fellow world-class experts July 11-13, 2019 at the 2019 Natural Orifice Surgery Consortium for Assessment and Research (NOSCAR) Summit.

If you are an innovator in the field of advanced endoscopy or want to become one, attending the NOSCAR Summit is a must. This outstanding event provides a unique opportunity for participants to meet with their peers to start collaborations, participate in innovative discussions, find a mentor, and strengthen friendships.

Gather with us at ASGE's IT&T in Downers Grove, Illinois to discuss current therapeutic endoscopic procedures, surgical techniques and innovative devices and accessories.

This year's Summit will feature state-of-the-art educational panels discussing the future of minimally-invasive medicine in Organ-Sparing Resection, Esophageal Motility: The Future of Diagnosis and Therapy cover, EndoSurgical Oncology.

If you've attended NOSCAR before, we look forward to welcoming you back. If this will be your first time, we look forward to welcoming you to this one-of-a-kind program.
